Description

THERMAL CREAM DOL It is suitable for those who suffer from joint pain in order to soothe aching or alleviate sports injuries, sprains and

bruises.

The arnica and the devil's claw represent two plant species traditionally known for their healing properties, with particular reference to the treatment of muscle and joint pain. In **Thermal cream dol**, the use of both plants creates a synergy that makes the product ideal **for the treatment of muscle and joint pain and bruises**.

HOW TO USE: Apply the product on the affected areas two / three times a day with a light massage until completely absorbed.

It Contains:

Arnica

Devil's claw

lavender essential oil

eucalyptus essential oil

essential oil of rosemary

almond oil

Wheat germ oil

sunflower oil

capsicum (hot pepper)
